

Swiss Chalet Kamloops is One of Our New Partners!

Boys and Girls Club of Kamloops is excited to announce a new partnership with Swiss Chalet Kamloops. Together we are trying to raise \$30,000 to expand Power Start to a fifth school! In case you aren't familiar, Power Start includes a ride from home to school for some of the most vulnerable children in Kamloops, along with a nutritious

breakfast and some positive social interaction time before heading to class for a day of learning! To boost our fundraising, Boys and Girls Club of Kamloops has joined Swiss Chalet's Earnback Program. Our new partnership is going to help us achieve our goal but we need your support!

Here's how you can help: Each time you dine at Swiss Chalet Kamloops, located at 1395 Hillside Drive, Unit #67 (Aberdeen Village), you simply write "Boys & Girls Club (or just BGC)" on the back of your receipt and drop it into the Sponsorship Box on your way out (ask the server/manager for direction). Swiss Chalet will then donate **10% of your food bill** back to our organization. That's it!

So who can participate? Staff, volunteers, family and friends; everyone is welcome! Just let your friends know which Swiss Chalet location this offer is valid at, what to write on their receipt and where to drop it.

And here's something exciting for those of you who are looking for beef options. Swiss Chalet is now featuring their **NEW Rotisserie Beef** items! So now you can get Chicken, Ribs AND Beef. Yum!

Boys & Girls Club of Kamloops would like to thank you for your continued support of our fundraising efforts; we couldn't do it without you!
